

Student Leadership Council
Statement of Parental/Guardian Support

GiftsToGive is a grass-roots, community-based organization that combines service learning and student volunteer service with the delivery of free, basic goods to south coast homeless and low-income children, new born through high school.

The GiftsToGive Student Leadership Council is a highly selective group of elementary, middle and high school students who will work for social justice through their volunteer service with GiftsToGive. Student teams will hold product drives, work in the mill and represent GiftsToGive as "social entrepreneurs" in their neighborhoods, schools, and social networks. In addition to this *Statement of Support*, applicants must submit a minimum of two recommendations from non-relatives who know the student, and can speak for their character, ability, work ethic, and commitment to family and community.

**Please complete this form and include in student's Application Package.
Only complete Application Packages will be considered.**

STUDENT _____
Last name First Name

My relationship to this student is: _____

I support my child's participation in this Student Leadership Council Internship (SLC). I commit to the following (please initial each commitment)

_____ I will support and facilitate my child's participation in no fewer than 6 days of community service during the 2009/10 school year.

_____ I acknowledge and support that some of these service days may be, by necessity, on weekends.

_____ I will support helping my child solve transportation and time management challenges responsibly.
