INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Gifts to Give, Inc.
Acushnet, Massachusetts

We have audited the accompanying financial statements of Gifts to Give, Inc. (a nonprofit organization), which comprise the statement of financial position as of March 31, 2017, and the related statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Gifts to Give, Inc. as of March 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Gifts to Give, Inc.

Notes to Financial Statements For the Years Ended March 31, 2017 and 2016

1. Organization

Gifts to Give, Inc. (the "Organization") was organized under the laws of the Commonwealth of Massachusetts for the purpose of operating a large scale repurposing center, designed to use thousands of student volunteers to reprocess donated in-kind items designated for children residing on the south coast of Massachusetts.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Organization are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted Net Assets

Unrestricted net assets represent those assets which the Organization may use at its discretion.

Temporarily Restricted Net Assets

Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time. When a donor restriction expires or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets

Permanently restricted net assets are subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of those assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (Continued)

Donated Items

The Organization receives donations of new and used supplies and equipment from individuals and organizations in the United States. The Organization in turn, gives these donated goods, at no charge, to other organizations with the intent of the goods ultimately being delivered to children in need. The Organization records the donated goods at their estimated fair value on the date of donation. During the years ended March 31, 2017 and 2016, the Organization received donations of supplies with an estimated fair value of \$245,392 and \$243,870, respectively.

To determine fair value, the Organization gathers as much information as possible on each donated good. The value is obtained by researching websites of vendors selling similar goods. If the value for the exact piece cannot be obtained, then the value for a comparable item can be substituted.

Donated Services

Donated services are recognized as contributions if the services a) create or enhance nonfinancial assets or b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers also provided services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction.

Property and Equipment

All acquisitions of property and equipment in excess of \$1,500 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method over the estimated useful lives of the assets. Estimated useful lives are five years for office equipment and ten years for furniture and fixtures. Leasehold improvements are amortized over shorter of their estimated useful life or the terms of the related leases.

Advertising

The Organization expenses advertising costs as incurred. Advertising expense amounted to \$5,467 and \$2,703 for the years ended March 31, 2017 and 2016, respectively.

Functional Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

2. Summary of Significant Accounting Policies (Continued)

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Organization is also exempt from Massachusetts state income taxes under Massachusetts General Law 180. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income at both the federal and state levels. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization other than a private foundation under Section 509(a)(1).

The Organization evaluates all significant tax positions. As of March 31, 2017 and 2016, the Organization does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Organization's tax returns are subject to examination by the appropriate taxing jurisdictions. As of March 31, 2017, the Organization's federal and state tax returns generally remain open for examination for three years from the date filed with each taxing jurisdiction.

Management Review

The Organization has evaluated all subsequent events through December 12, 2017, the date the financial statements were available to be issued.

On August 1, 2017, the Organization has extended its lease for additional three years. The verbal lease agreement expires on July 31, 2020 with a monthly payment amounting to \$4,875.

Beginning on January 1, 2013, the FDIC insures up to \$250,000, per depositor, per insured depository institution for each account ownership category.
