Covid Vaccination Policy

Effective immediately, we are instituting a mandatory Covid vaccination policy for all volunteers. Because we are all volunteers, there will be no exceptions.

- If you have not been vaccinated or are unable to offer a copy of your vaccination card, you will not be allowed to volunteer in the building.
- This includes our Student Interns.
- All new potential volunteers will be asked to prove their vaccination status, before beginning any volunteer activity.
- Social workers arriving to pick up orders will need to stay downstairs, and we will send their gift packages down the conveyor belt or elevator. Should they choose to prove vaccination, they may come upstairs, so we can make a copy of their vaccination card.
- Saturdays, when we operate the Thrift Store to the public, is the only time the public will be allowed in our building. We will continue with our mandatory mask policy. The public will not be allowed into any non-retail spaces, including lavatories.

Please talk to Jim Stevens immediately with questions or concerns.
